

Investment Luncheon

The ramifications of Brexit Leave vote on Ireland and on global financial markets

You are cordially invited by Seán Piersé to a complimentary luncheon hosted by the Chartered Accountants Ireland.

Key topics for discussion are:

- Is the UK vote to leave merely another bump on the road or is it a fundamental shift in the investment landscape?
- Currency and treasury management challenges for investors and for SME's who trade with the UK.
- The short and long term effect of the vote on the five asset classes i.e. deposits, bonds, alternatives, property and equities.
- Advice for investors in a continuing environment of high volatility as the equity markets are weighed on by factors such as Brexit vote, migrant tensions within Europe, subdued economic growth and low demand for commodities.
