The global equity and bond markets underwent a severe correction in the first six months of 2022. Budget 2023 has been brought forward by two weeks to Tuesday, 27th September 2022.

Our speakers will share their views and some of the key challenges and opportunities including:

- Tax tips and action items after Tuesday's budget
- Investment update for 2022 and the outlook for 2023

Brendan and Richard will discuss these topics and present their views on how investors should set themselves up for the years ahead.

*Most importantly, we want to ensure that we are addressing the issues that matter most to our clients. Accordingly, we would greatly appreciate it if you could let us know in advance **if there are any specific topics which you would like Brendan and Richard to address.** Please send your topic(s) to sean@abm.ie or eoin@abm.ie*
